

CALTRANS COMMUTER ALERT

Date: Friday, July 15, 2011
District: 6 - Fresno
Contact: Gloria Rodriguez (559) 444-2409
Email: gloria_rodriguez@dot.ca.gov

CONSTRUCTION CONTINUES ON STATE ROUTE 33 IN KINGS COUNTY NEXT WEEK

WHAT: ASPHALT CONCRETE OVERLAY OPERATIONS CONTINUE AS PART OF ON-GOING PAVEMENT REHABILITATION PROJECT ON STATE ROUTE 33

WHEN: NEXT WEEK CONSTRUCTION CONTINUES MONDAY-FRIDAY 6:00 A.M. UNTIL 6:00 P.M. (NO WORK DURING HOLIDAYS/WEEKENDS)

WHERE: KINGS COUNTY; ON STATE ROUTE 33 FROM UTICA AVENUE TO THE KINGS/FRESNO COUNTY LINE.

The California Department of Transportation (Caltrans) reminds motorists that **W. Jaxon Baker, Inc.** will continue construction along 2 ½ miles on State Route 33 in Kings County. Portable Changeable Message Signage (PCMS) will be in place during construction to notify motorists of this improvement project.

Next week, Monday-Friday, lane closures will occur and traffic delays are expected to be approximately 10 minutes. Construction will continue during daytime hours from 6:00 a.m. until 6:00 p.m. in order to conduct overlay operations within the project limits. A pilot car and flaggers will be utilized in order to safely initiate this project during one-way reversing control lane closure operations.

Motorists should allow additional time for their commute or use an alternate route whenever possible as delays within this area are anticipated. (Current schedule subject to change due to unforeseen contractor operations.)

Caltrans would like to thank the businesses, residents and commuters for their patience during this improvement project. The public is asked to drive with extra care while traveling through this construction project and reminds motorists to please **"Slow for the Cone Zone"** at all times. Questions regarding this project can be directed to the Caltrans District 6 Public Information Office at the number listed above.
